Judging Guidelines

Presentation of the Competitor:

- The competitor is to wear a plain white shirt with dark pants and clean, strong, appropriate boots for cattle handling. No open footwear or gumboots are permitted.
- No logos or advertising whatsoever are permitted. This includes on hats and breed uniforms.

Presentation of the Animal:

- The conformation of the animal itself is **not to be judged** – however general presentation is to be taken into consideration. It is expected that the

competitor has prepared the animal sufficiently themselves and is encouraged to know basic information about the animal such as birth date, breeding and rearing.

- Rope, leather, chain and nylon halters are permitted. It should be clean and fit the animal correctly.
- For beef competitors if a show stick or cane is carried, it is to be used correctly.

Parading of the Animal:

- The competitor should aim to display the animal in such a manner that the judge gains a clear view of the animal at all times and that the animal is seen to the best of its ability.
- Emphasis is placed on the effort of the competitor to be able to parade and handle in general regardless of the particular animal on the end of the halter, therefore senior competitors will be requested to swap animals (juniors will not).
- The competitor should be able to stop, move the animal on and keep the animal under control whilst being aware of where the judge is in the ring.
- Outside assistance is not permitted under any circumstances and competitors will be disqualified.

It is the responsibility of the show to brief the cattle judge fully, prior to this class with its specific rules and it is strongly recommended that this class is judged straight after lunch whilst animals, competitors and judges are fresh. The decision of the Northern Districts RAS Youth Representative is final. By entering this competition, you are acknowledging that you adhere to the above rules.
